Junior Archaeologist

Location: Nanaimo, BC

Start Date: Immediate

Compensation: \$28-32/hour, based on experience and qualifications

Aquila Archaeology Ltd. is seeking a qualified **Junior Archaeologist** to join our team in Nanaimo, BC. This is an exciting opportunity for someone passionate about archaeology and eager to live and work across the stunning landscapes of the south coast of British Columbia. We're a collaborative, research-driven firm committed to high-quality archaeological work and fostering inclusive interpretations of the past. If you're ready to lead meaningful projects and contribute to a respectful, community-oriented approach to heritage resource management, we'd love to hear from you.

Key Responsibilities

- Field experience with surveys, impact assessments, and excavations
- Physically fit and able to work in challenging environments
- Participate in research and analysis as needed
- Record archaeological and traditional use sites
- Experience in archaeological laboratory settings
- Cataloguing cultural materials
- Able to work in varying terrain and weather conditions
- Class 5 driver's license
- Able to travel to remote locations

Qualifications

- Bachelor's degree in archaeology or anthropology
- Strong knowledge of the **Heritage Conservation Act** and BC archaeology
- Skilled in heritage resource management and field leadership
- Proficient in Microsoft Office tools
- Valid **Class 5 BC driver's licence**
- Canadian citizen or valid work permit
- Willingness to travel and work in diverse terrain and weather conditions

- Adherence to Aquilla's Safe Work Procedures
-

What We Offer

- Competitive wages and benefits
 - Flexible schedule with hybrid remote/in-office options
 - Year-round field and office opportunities
 - Engaging projects with long-term clients, including many First Nations
 - **Comprehensive health benefits**
 - **Annual PPE budget**
 - **Paid professional development opportunities**
 - **Above-industry holidays and performance bonuses**
-

If you're a seasoned archaeologist ready to take the lead in meaningful fieldwork, Aquilla Archaeology offers a rewarding career path in one of Canada's most beautiful regions.
